

Faculty Development Programme (FDP) 2019

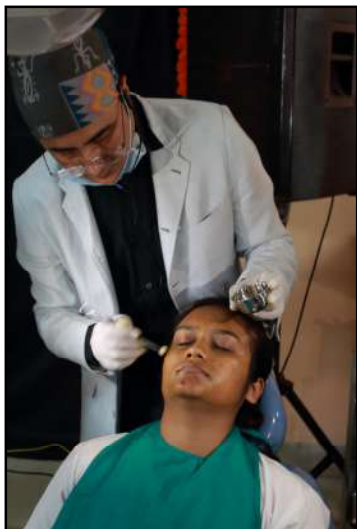

Faculty Development Programme was organized at Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli from 20th to 25th February 2019. This programme was primarily intended to boost the academic & intellectual environment in the institution & provide our faculty members with opportunities to upgrade their knowledge & specialty based skills. It was a 6 days learning bonanza which included wide ranging topics on current trends in dentistry.

Day-1

Dr. H. M. Kadam, Regional Director of Bharati Vidyapeeth, Sangli was invited as chief guest for the inaugural ceremony. Other guests of honor were **Dr. Vidya Dodwad**, Principal, Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli, **Dr. R. B. Kulkarni**, Dean, Bharati Vidyapeeth (Deemed to be University) Medical College & Hospital, Sangli & **Dr. Nilima Bhore**, Principal, Bharati Vidyapeeth (Deemed to be University) College of Nursing, Sangli.

The invited guest Speaker was **Dr. Arun Panda**, MDS, Oral & Maxillofacial Surgeon from Mumbai. He is specialized in Facial Esthetics, which is a booming trend in metropolitan cities. To familiarize our staff with these latest esthetic trends, various techniques were discussed in detail & live demonstrations using PRP, Dermal fillers, Botox, Threads and Chemical Peel were performed on 6 patients.

Day-2

A workshop on “**Digital Dental Photography**” was organized based on its crucial role in patient education, documentation of records & publications. **Dr. Mayur Davda** from Mumbai was invited as a guest speaker. All aspects of Dental Photography including camera handling & quality control of images were discussed in detail. It was an interactive session with active participation of audience.

Day-3

It was **Hands on session on Digital Photography** for registered delegates. Canon cameras & lenses were arranged for all participants. Photography exercises were planned on typhodonts. All participants were taught camera specifications & techniques for intra oral as well as extra oral photography. A small session on glamour photography was also included. It was an extremely useful & informative session.

Day-4

A workshop on “**Cardio-Pulmonary Resuscitation (CPR)**” was organized to train our staff for Basic Life Support Techniques in Medical Emergency situations. **Dr. Manohar Mane**, Associate Professor, Department of Anesthesia, Bharati Vidyapeeth (Deemed to be University) Medical College & Hospital, Sangli was invited as guest speaker. He explained handling of patients in medical emergencies with demo on mannequin. It was an extremely informative & interactive session.
