**CHILDREN'S DAY CELEBRATION**

It is well said that, "There is no garden as beautiful as Childhood" and "There is a little child in every adult." Every child is a different kind of beautiful flower and together they make this world a beautiful garden. Today, 14<sup>th</sup> November is celebrated as the "Children's Day" in the fond memory of our former and India's first Prime Minister, Pandit Jawaharlal Nehru. This day, marking childhood, was also chosen to be **"The Pedodontist's Day"**.

On this wonderful occasion of Children's day and Pedodontists day, Department of Pedodontics and Preventive Dentistry, Bharati Vidyapeeth Deemed University, Dental College and Hospital had organised an event for their little child patients. To extend a warm welcome to our guests the department was decorated with many balloons, ribbons and cartoon rangoli at the entrance of the department.

The programme commenced with the lamp lighting ceremony by seeking blessings from the divine almighty followed by the welcoming and felicitation of chief guest, our beloved principal, Dr. Vidya Dodwad ma'am. The event was also graced by the presence of all the H.O.D.'s from the dental college.

On account of Pedodontists Day, two of our post-graduate students were also felicitated for their excellent and award-winning presentations at the National Conference.

These events were then followed by a cake cutting ceremony and the children were then gifted with the idea of encouraging oral health which the children loved and promised good oral & dental care. Thus, the entire day was a celebration which carved a beautiful smile on everybody's face.
