

PUBLICATION DETAILS- DR. SACHIN MANGALEKAR

Sr. No.	Title of the article
1	Herpes Virus in Chronic and Aggressive Periodontitis patients in an Indian population.
2	Cysticercosis Cellulosae in Labial Mucosa: A Rare Case Report.
3	Comparative assessment of efficacy of single application of dipotassium oxalate, Potassium nitrate and sodium fluoride with iontophoresis in the treatment of hypersensitive teeth: An in-vitro and in-vivo study.
4	Interleukin-6 promotor polymorphism (-174GC) in Indian patients with chronic periodontitis.
5	Comparative study to assess the effect of chewing stick and toothbrush on oral hygiene and periodontal status among Indian population.
6	Ozone therapy in Dentistry: A literature review.
7	Evaluation of effectiveness of CPP- ACP combination in treating dentinal hypersensitivity following nonsurgical periodontal therapy – A randomized clinical trial.
8	Periodontal Accelerated Osteogenic Orthodontics – An Interdisciplinary Approach.
9	Immediate placement and loading of implants for a congenitally missing premolar.
10	Laser assisted photodynamic therapy for periodontal diseases: A strategic review.
11	Quorum Sensing and Quorum Quenching: Facebook of Microbial World.
12	Molariform mesiodens in Primary Dentition; Case Reports in Dentistry Volume 2013.
13	Management of trigeminal neuralgia with peripheral glycerol injection: A clinical study.
14	Comparison of pain, swelling and trismus in the surgical removal of impacted mandibular third molars by following two different flap techniques.

15	A combined interdisciplinary expertise for the treatment of the patients with worn-out dentition: Report of two cases.
16	Maxillary Labial Frenectomy using Diode Laser and Classical Technique: A Case Report.
17	Assessment of root resorption and root shape by periapical and panoramic radiographs: A comparative study.
18	Immediate loading of Implant-Need of hour: A case report.
19	Intramuscular gingival lipoma: A rare case report.
20	Radix Entomolaris: Clinical Approach in endodontics.
21	Assessment of periodontally inflamed surface area and its relationship with glycemic control in type 2 diabetes.
22	Prepubertal periodontitis: A rare case report.
23	Psidium guajava: A potential adjunct in the management of periodontal disease- A review.
24	mRNA expression of IFN- λ s in the gingival tissue of patients with chronic or aggressive periodontitis: A polymerase chain reaction study.
25	Enhancing implant stability with Osseodensification- A Review.
